Valuers Registration Board

CALL FOR ABSTRACTS

The Future of Valuation in Tanzania: Integrating Technology, Innovation, and Environmental Sustainability

The 5th Annual General Meeting and Conference of the Valuers Registration Board will take place on 24th -26th October 2024, Morena Hotel Morogoro.

The AGM will be preceded by a conference on the theme '*The Future of Valuation Integrating Technology, Innovation and Environmental Sustainability*'. The Conference is expected to provide a forum for practicing Valuers, academicians, policymakers, and allied professionals dealing with land administration, real estate finance, property and facilities management, housing, and other related areas.

The conference will provide avenue for Valuers to interact and discuss on future valuation issues such as adaption of computer models in valuation, innovation and environmental consideration in valuation. It is hoped the Conference will attract presentations from scholars and practitioners on the themes and stimulate discussions that will inform policymakers including the Board on measures necessary to improve integration of technology, innovation and sustainability in the valuation practice in Tanzania.

Submissions: Well-developed abstracts or full papers must be submitted online to the Registrar (registrar@vrb.go.tz) on or before 30th September 2024. Authors whose submissions will be accepted for the conference will be informed and required to prepare a full paper presentation and submit to the Registrar before 20th October 2024. Board will facilitate conference participation of Authors whose papers will be accepted.
